Invitation for internship at the University of Mons, Belgium
for Prateek Rastogi

Mons, 22 February 2013

To Whom It May Concern:

As Professor in software engineering of the Software Engineering Lab of the University of Mons (UMONS), I invite Prateek Rastogi, student with enrolment number 10010146 at the Indian Institute of Technology (Guhawati, India) for a 2 month Summer Internship in the period of 10 May - 15 July 2013. The exact modalities of the internship are specified in the "Convention de stage" (internship training contract) co-signed by UMONS, the Indian Institute of Technology and the intern.

UMONS will take charge of student housing for the intern for the duration of his stay, and will also reimburse the travel expenditure (return flight + travel from airport to the university) with a maximum of 1000 euros.

Best regards,

Prof. Dr. Tom Mens   tom.mens@umons.ac.be
